

Нестандартные методы получения ссылок в эссе́йной нише

Особенности эссеистой ниши (почему ниша требует креативного подхода)

Основные каналы привлечения трафика:

- ◆ Контекстная реклама
- ◆ Продвижение в социальных медиа
- ◆ Медийная реклама
- ◆ Оффлайн реклама
- ◆ SEO

Ниша в США считается неэтичной:

→ множество моралфагов, готовых
бесплатно тратить время на
разоблачение сервисов;

→ стучать на списывающего – почётно!

Custom-Writing.org from Ukraine now claims to be located in "California"

WritersBeware

I find it funny that Clearinghouse.org belittles other companies, while guaranteeing "US, UK" writers with "PhD and MBA" degrees:

[CL](#) / [online-essay](#)

Custom-Writing.org also claims to be based in Sacramento, California in order to attract American customers who would otherwise have little interest in language papers from an ESL, Ukrainian service. In reality, Custom-Writing.org is based in Kiev, Ukraine. On 10/12/2007, the owner/agent of Custom-Writing.org used bizfilings.com to remotely open a limited liability company (C.W. Assistance L.L.C.) online. Here's the proof, from the California Secretary of State:

Особенности эссеистой ниши

(почему ниша требует креативного подхода)

- ◆ Контекстная реклама → ниша запрещена в Adwords
- ◆ Студенты стучат на своих же → No Shares & Likes in Social Networks
- ◆ Площадки отказывают в размещении баннерной рекламы
- ◆ SPAM & Black SEO – чуть больше чем полностью

If this is your first visit here, let us tell you what we do. We are an organisation that undertakes academic research projects for students.

Projects1stClass.com is a site that finds work for freelance academic researchers who want to undertake work for students in English-speaking countries. The deal is simple: You help students with their assignments and dissertations in exchange for a fee that YOU specify.

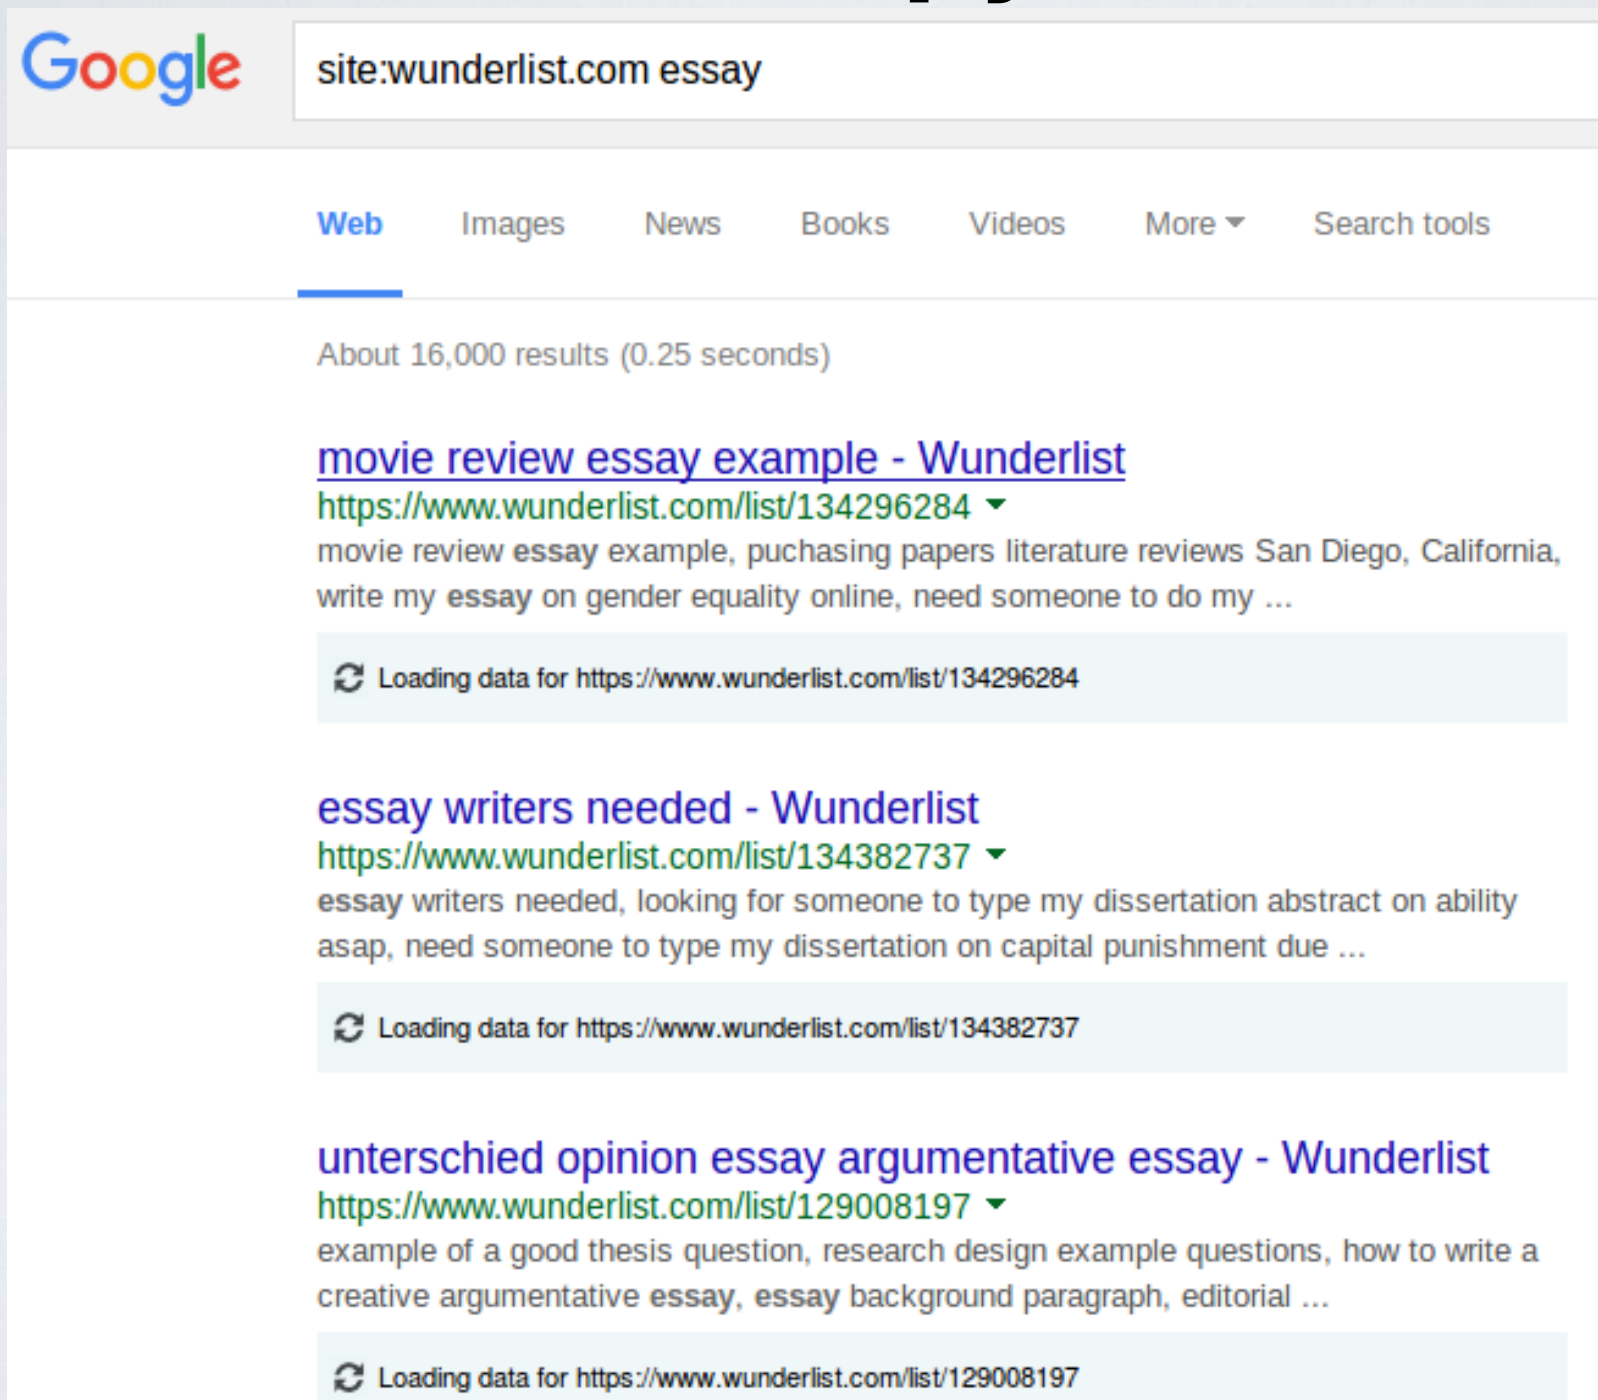

When a project is posted, you can bid on it, and if your bid is selected, you get to complete it according to the given specifications. It's like eBay for academic research.
